TECHNICAL

SCHOLARSHIP

SRT Technical Scholarship

SRT is pleased to offer one \$2,500 scholarship to a graduating high school senior or undergraduate student enrolled in a curriculum studying telecommunications or computer technology related fields at an accredited technical school, two-year college, or four-year college.

Qualifying Fields of Study:

Computer Information Systems	Graphic Design & New Art Media
Computer Science	Graphic Design Technology
Computer Support	Information Processing
Computer Technology Management	Information Systems
Electrical & Computer Engineering	Information Technology
Electrical Engineering with Computer Science Focus	Internet Applications
Electronics or Telecommunications Technology	Management Information Systems
Graphic Design	Scientific Computing
Graphic Communications Technology	Technology Education
Graphic Design & Communications	Web Page Development & Design

ELIGIBILITY:

- Customers receiving any service from SRT and their dependents may apply for the scholarship.
- Graduating high school seniors or undergraduate students are eligible to apply.
- Applicant must enroll in a full-time undergraduate course of study no later than the fall term of the 2021-2022 school year at an accredited two or four-year college, university or vocational-technical school in the U.S.
- Applicants can apply multiple years, but scholarship will only be awarded once to an individual.

APPLICATION AND ATTACHMENTS MUST BE POSTMARKED BY MARCH 5, 2021 TO:

SRT
Attn: Technical Scholarship
PO Box 2027
Minot, ND 58702-2027

HOW TO APPLY:

- Complete the application form in full. Incomplete applications will not be considered. To download a printable application form visit SRT.COM
- Prepare a 300 word essay on the following topic: **Describe your future plans in the telecommunications industry, computer-related field or technology industry.**
- Attach a copy of your high school or college transcript (provide at least 7 semesters).
- Letter of recommendation. With your application, submit one letter of recommendation from an individual who is not related to you. The letter of recommendation may be from one of your current educators, a local community leader, local business representative, etc.

JUDGING CRITERIA: Scholarship applications will be judged on: (1) essay paper, (2) academics, (3) extracurricular school, community, volunteer, and employment activities and (4) letter of recommendation.

QUESTIONS: Any questions regarding the SRT Technical Scholarship should be directed to: Cassidy Hjelmstad or Teal Myre at 701.858.1200.

School and Community Involvement

School Activities

(include organizational involvement, sports, leadership, science or math fairs, academic, music, etc)

Circle the high school year(s) that you participated in each activity. Or, if you participate in activities in college, please note.
