Thank you for your consideration!

Minot’s only Scouting America female Scouts BSA Troop is hosting its 3rd annual 5K Color Dash. We need YOUR help to expand this successful community event. Because of the generosity of our sponsors, we have been able to offer the event free for kids!

Some history of Troop 5401

In 2019, Boy Scouts of America expanded its impact to include female scouts like more of the world organization of scouting. Previously, females were included in other programs such as Venture Crews in the U.S. since the 1960’s. We founded our troop right away in 2019 and are proud to announce that Troop 5401 now has 11 Eagle Scouts. While our troop continues to expand, our annual fundraiser helps to offset the costs of camps, supplies, requirements, and equipment.

Special note – The scouts are planning to attend Seabase High Adventure camp in the summer of 2026 where they will sail a ship off the Florida Keys! It’s a once in a lifetime adventure for these great scouts!

What are we asking?

The goal of your partnership is to provide our community with a fun event while promoting our aims of scouting in the outdoors - character, leadership, citizenship, and personal fitness. Our hope is more people will be aware of our troop and to help offset the costs of running this troop.

The following sponsorships are available on our race website <https://runsignup.com/Race/ND/Minot/ScoutingPower5KColorDash> and under “More”
