

# NORTHERN PINES STABLES

SAWYER, ND

## Hello Potential Sponsor!

As we prepare ourselves for this upcoming year of 2025, we are planning out all our events! Northern Pines Stables strives to provide the local community with different family-friendly horse events to introduce more community members to horses. Last year in 2024 we were busy acting in our first year as a nonprofit, finetuning all our programs and activities all while offering our core program: horse riding lessons. We couldn't have made last year the success it was without the sponsors! We thank each of our 2024 sponsors so much. This year we are reaching out to you asking for sponsors for the following events. Gathering sponsorships and donations towards these goals will not only let us increase our reach in the community but also bring awards, prizes, and scholarships into our horse program. The following events are great fundraisers for us. The youth of today make us who we are tomorrow!

**We greatly appreciate your support towards our 2025 years worth of events:**

- **Playday Summer Series:** 4 fun-filled days of games, speed, and precision events throughout the summer where kids (and adults too!) can earn points with their horses towards a series of awards at the end of each day itself and the Series as well. We are proud to offer different awards for each Playday such as Sportsmanship, Teamwork, Most Improved, Tough Luck, Fast Times and overall Age Division awards. Our 2024 series blew us away with how many competitors attended.
- **Horsemanship Challenges:** Separate events throughout the spring, summer, and fall where horse and rider teams take on an obstacle course proving their teamwork and skills to a judge. Teams of horse and rider go through obstacles known as the Tummy Tickler, Octagon Bridge, Mailbox, Trash Dump, and our Elevated Bridge just to name a few. This is great for adults, kids, and for horses too! Competitors can earn awards for their Age Divisions along with special awards as well. This event has really grown for us over the years becoming more and more popular.
- **Wish I Had a Horse Camps and My Own Horse Camps:** These camps help kids learn about different topics of horses such as breeds, colors, tack, nutrition, and healthcare! This not only prepares kids for owning their own horses but lets them learn all the cool things about horses through games and hands-on learning activities!
- **Horseshows:** We host horseshows throughout the summer where riders can gather to compete in different classes such as reining, egg & spoon, ranch riding, showmanship, and barrels. Kids and adults compete for class ribbons, medals, and Age Division awards as well.
- **Adult Workshops:** These workshops have really blossomed over 2024 as we have extended our topics into many different workshops and hosted public speakers. We invite not only horse owners but also members of the community who are interested in horses to learn about different topics such as nutrition, bones, tack fitting, colors, and deworming.
- **Boo in the Barn:** This is our yearly Halloween community event where community members and kids come out and enjoy the horses in costumes, treats (and tricks!), games, bouncy houses, and a decorated trail. This will be our 5th year of hosting this event!
