For 39 years, the Minot Area Council of the Arts has been hosting free all-ages summer concerts for the community through our Arts in the City event series! These events allow us to connect residents and visitors with local artists, performers, and businesses to develop and strengthen a culture of artistic enrichment and community engagement within Minot. **We are seeking community partners who would like to join us, through sponsorship, in continuing this legacy of providing accessible arts experiences, adding to the vibrancy and local culture of the Magic City.**

Sundays in the Park - the foundation of our 39-year Arts in the City legacy, Sundays in the Park include weekly afternoon and evening concerts every Sunday, June - July, in Oak Park. In addition to featuring performances from local musicians, a featured artist attends to showcase their work and offer demonstrations to audience members and park-goers. **These concerts offer an inclusive, accessible atmosphere for attendees to experience the rich diversity of local talent in the comfort of a park setting.**

Thursdays Downtown are a celebration of local arts and music that take place on Main Street, on select Thursday evenings throughout the summer. Featuring live music, art demos, activities for all ages (including bounce houses, axe throwing, and more!), food trucks, and artisan vendors, **these events have been steadily growing since their inception in the Summer of 2021, defining Downtown Minot as THE place to be on Thursday evenings in the summer!**

Our sponsorship levels and benefits are presented below, when you find one that suits your organization, sponsorship checks should be written out to **Minot Area Council of the Arts** and delivered to us at the address above. Sponsors should also send an email to events@minotarts.org with their logo (so we can get them added to the event website and prepare marketing materials) and to make arrangements for your sponsor benefits.

If you have any questions, or would like to discuss a custom sponsorship agreement, please feel free to give us a call or send an email!

Thank you for all that you do for our community and for supporting local arts!

Sincerely,
