

Dear Potential Sponsor,

Let me take this opportunity to introduce you to the **Minot North Sentinels Girls Soccer Team!** The doors to Minot North High School opened in August 2024, and the Minot North Girls Soccer players will begin their second season in the spring of 2026!

We are excited to continue carving out a name for ourselves against the toughest teams in North Dakota, and are determined to provide a rewarding experience for our athletes! One of the most difficult challenges at the start of a new program such as ours, is the established programs in our area. Our goal is to raise funds to pay for clothing, equipment, meals, statistical software, and photography. In return, your company logo will be featured on our social media and game day banner. Your business will also be announced during Minot North home games.

Please consider being a sponsor for the Minot North Sentinels Girls Soccer Program. By choosing to help develop our program, you are enabling many motivated young athletes to participate in a team sport that will allow them to further develop their abilities, integrity, teamwork, and passion for the sport.

Attached you will find the different sponsorship options that you may choose from. Any contribution would be greatly appreciated!
