

2023 is upon us and North Dakota's NBHA District 04 is excited for the upcoming barrel racing season! The 2022 season was a fun filled year and we are looking forward to many new adventures this year. A large part of a successful season is credited to our sponsors who lend their names and financial support to the event. Every single dollar raised goes directly back to our members in the form of year-end prizes and events.

ND04 is a local organization run by volunteers. We produce barrel racing events throughout North Central North Dakota, including the counties of Bottineau, McHenry, McLean, Renville, Rolette, Sheridan, and Ward. NBHA was established in 1998 and has provided family-oriented experiences for over 300 families in North Dakota every year. These events are open to the public and our youth membership has been increasing yearly. It's a great family and friend-oriented organization!

I would like to take this opportunity to invite your participation in the 2023 season as a sponsor! You can select the level of participation that best suits you and be secure in the knowledge that your sponsorship contribution will be used to help us throughout the summer.

Our organization is recognized as a 501-3c. We hope we can count on your support as well and I will be happy to answer any questions you may have.
