

Dear Potential Sponsor,

Let me take this opportunity to introduce you to the **Minot North Sentinels Boys Soccer Team**! The doors to Minot North High School open this August, and the Minot North Boys Soccer players will begin competing this 2024 season on their home turf!

We are excited to continue to carve out a name for ourselves against the toughest teams of North Dakota and are determined to provide a rewarding experience for our athletes! This year the Minot North Sentinels Boys Soccer team will begin to compete at the Varsity level. One of the most difficult challenges at the start of a new program such as ours is to raise money and support from our community that will allow us to compete with the established programs in our area. Our goal is to raise funds to pay for practice jerseys, equipment, statistical software, photography, and more. Your help would be greatly appreciated.

Please consider being a sponsor for the 2024-2025 Minot North Sentinels Boys Soccer Program. By choosing to help us develop our program by becoming a sponsor, you are enabling many motivated young athletes to participate in a team sport that will allow them to further develop their abilities, integrity, teamwork, and passion for the sport.

Attached are the different sponsorship packages that you may choose from. Any contribution will be greatly appreciated.

If you would like more information or have any questions, email mnhs.boys.soccer@gmail.com.

Sincerely,

The Minot North Sentinels Soccer Team
