

Dear Potential Sponsor,

Let me take this opportunity to introduce you to the new ***Minot North Sentinels Boys Soccer Team***! Although the doors to Minot North High School do not open until August of 2024, the Minot North Boys Soccer players will begin competing during the 2023 season and are ready to start carving out a name for themselves against the toughest teams of North Dakota!

We are excited to be at the start of this new program and are determined to provide a rewarding experience for our athletes, however one of the most difficult challenges at the start of a new program such as ours is to raise money and support from our community that will allow us to compete with the established programs in our area. Our goal is to raise funds to pay for practice jerseys, equipment, ipad and statistical software, photography, and more. Your help would be greatly appreciated.

Please consider being a sponsor for the 2023-2024 Minot North Sentinels Boys Soccer Program. By choosing to help us establish our program and becoming a sponsor, you are enabling many motivated young athletes to participate in a team sport that will allow them to further develop their abilities, integrity, teamwork, and passion for the sport.

Attached are the different sponsorship packages that you may choose from. Any contribution will be greatly appreciated.

If you would like more information or have any questions, email mnhs.boys.soccer@gmail.com.

Sincerely,

The Minot North Sentinels Soccer Team
