Youthworks is a United Way agency.

youthworksnd.org

facebook.com/youthworksND

helping ensure all youth have a safe place to belong and be heard.

At Youthworks we provide supportive services for youth & their families to meet goals for strong, healthy relationships.

Youthworks is a 501(c)(3) non-profit that has provided youth and family services throughout North Dakota since 1986. Our offices are located in Fargo, Bismarck, and Minot, and we serve the surrounding counties. Additionally, some programs and services are available statewide.

Youthworks vision is for youth to have the supports and relationship they need to thrive in communities that value their voice & experience.

Our staff includes: licensed professional social workers, marriage and family therapists, licensed professional counselors, licensed teachers, peer youth mentors, credible messengers, youth engagement specialists, and volunteers. All of our staff are dedicated to providing positive support to youth, young adults, and their families.

Need Help?

Our offices are open Monday-Friday 8:30am-5pm. We are closed from 12-1pm daily and on the afternoons on Fridays. If you have a crisis after hours, please contact our crisis line to connect with someone from Youthworks.

Youth

If you are a youth (10-24) in need of shelter, housing, support, or assistance, we know reaching out can be difficult. We want you to know that you are welcome here and your voice will be heard. When you're ready, you can walk in, call, or send us a message on Facebook to get connected. We would be happy to meet with you to discuss how we can help or how we can get you connected to other organizations in our community.

Parents/Caregivers

If you are a parent of a youth and you don't know where to turn – we are here for you. We offer many different programs that focus on supporting youth and their families in achieving their goals. Even if Youthworks does not have the exact program or service your youth needs, we will help you navigate your next steps. Call us to get connected!

Loved Ones

Are you friend, relative, neighbor, or loved one of a youth who is struggling? Not sure how to help? Feel free to contact us for resources and ideas on how you can help your loved one.

Want to Help?

Want to help ensure all youth have a safe place to belong and be heard? Here are several ways you can get involved with our youth, our mission, and our communities:

- 1 Volunteer to be a mentor for youth. This can be a one-time group experience or a one-to-one mentoring over the course of a year.
- 2 Join an Event Planning Committee. Volunteer to help us with one of our largest fundraising efforts of the year.
- 3 Can't commit to the whole year? Volunteer to help Youthworks during United Way's Day of Caring event or for Youthworks' We've Got You Covered events in August.
- 4 Commit to a one-time donation. Want to put your money where your passion is? Consider donating to a program or event that best aligns with your values.
- 5 Set up a recurring donation. While Youthworks is committed to providing prevention services to youth in our communities, many grants do not fund prevention work. Consider donating to ensure all youth in ND have access to the services they need, when they need them.
