

Our Mission

Fenworks is dedicated to fostering a passion for STEM education among K-12 students. We do this by utilizing the latest technology in esports and drone racing. This creates a competitive and fun environment where individuals can develop their skills and sense of belonging in the ever-evolving world of electronic sports.

The Fenworks Difference

Competition

Fenworks facilitates local competitions and scrimmages between schools for a chance to attend a state championship. Skill-based matchmaking is used to ensure equally skilled competitors.

Coaching

Fenworks provides video game coaching services throughout the program. Coaches are sourced from the top 1% to .01% of players in their respective titles. The Fenworks 'Drone Team' consists of registered Pilots with training and knowledge to soar your drone operating skills to new heights.

Community

Fenworks provides programming for a safe, inclusive, and fun environment for students K-12. Students can expect lifelong applicable skills in leadership, teamwork, and problem solving. After school activities have been proven to create more engagement and a higher GPA.

Fenworks Program Benefits

Builds career pathways

Students can gain leadership, communication, and problem solving skills that prepare them for higher ed.

Gets students involved and engaged

Students that participate in extracurricular programs have 10% higher attendance and +1.7 higher GPA. (www.nsba.org)
